The fact that your Physician may prescribe, order, recommend, approve, or view hospitalization or other health care services and supplies as Medically Necessary, does not make the hospitalization, services or supplies Medically Necessary and does not mean that the Claim Administrator will pay the cost of the hospitalization, services, or supplies. Please refer to the *Exclusions – What Is Not Covered* section of this booklet for additional information.

The Claim Administrator will make the initial decision whether hospitalization or other health care services or supplies were not Medically Necessary. In most instances this initial decision is made by the Claim Administrator AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED. In making decisions of whether the hospitalization or other health care service(s) or supply(ies) are not Medically Necessary, and therefore not eligible for payment under the terms of this Plan, the Claim Administrator will take into account the information submitted to the Claim Administrator by your Provider(s), including any consultations with such Providers(s).

Hospitalization or other health care is not Medically Necessary when, applying the definition of Medical Necessary to the circumstances surrounding the hospitalization or other health care, it is determined that the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician's office, the

Outpatient department of a Hospital, or some other setting without adversely affecting the patient's condition.

If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with the Claim Administrator's initial decision, your benefit program provides for an appeal of that decision. You must exercise your right to this appeal as a precondition to the taking of any further action against the Claim Administrator, either at law or in equity. To initiate your appeal, you must give the Claim Administrator written notice of your intention to do so as described in the *Claim Filing and Appeals Procedures* section of this booklet.

Below are some examples, not an exhaustive list, of hospitalization or other health care services and supplies that are not Medically Necessary:

1. Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician's office or Hospital Outpatient department.

- Meet the following definition of an Eligible Person: A full-time employee. A full-time employee is a person who is scheduled to work a minimum of 30 hours per week and who is on the permanent payroll of the Employer;
- Have applied for this coverage; and
- Have received an Identification Card.

If you meet this description and comply with the other terms and conditions of this benefit booklet, including but not limited to, payment of premiums, you are entitled to the benefits of this program.

MEDICARE ELIGIBLE COVERED PERSONS

If you meet the definition of an Eligible Person stated in the ELIGIBILITY Section above and you are eligible for Medicare and not affected by the "Medicare Secondary Payer" (MSP) laws as described below, the benefits described in the section of this benefit booklet entitled "Benefits for Medicare Eligible covered persons" will apply to you and to your spouse and covered dependent children (if they are also eligible for Medicare and not affected by the MSP laws). This section does not apply to a party of a Civil Union with the Eligible Person and their children. This section does not apply to a Domestic Partner of the Eligible Person and their children.

A series of federal laws collectively referred to as the "Medicare Secondary Payer" (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan ("GHP") coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease ("ESRD") during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the employer or whether the individual has "current employment status."
2. In the case of individuals aged 65 or over, GHPs of employers that employ 20 or more employees if that individual or the individual's spouse (of any age) has "current employment status." If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more employees, the MSP rules apply even with respect to employers of fewer than 20 employees (unless the plan elects the small employer exception under the statute).

3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more employees, if the individual or a member of the individual's family has "current employee status." If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more employees, the MSP rules apply even with respect to employers of fewer than 100 employees.

PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.

YOUR MSP RESPONSIBILITIES

In order to assist your employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from the Claim Administrator and/or your employer regarding the Medicare eligibility of you, your spouse and covered dependent children. In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your employer or your group administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.

YOUR ID CARD

You will receive an Identification Card. This card will tell you your identification number and will be very important to you in obtaining your benefits.

If you have Family Coverage, your health expenses for Covered Services and those of your enrolled spouse and your (or your spouse's) enrolled children up to age 26 will be covered. All of the provisions of this benefit booklet that pertain to a spouse also apply to a party of a Civil Union unless specifically noted otherwise. The coverage for children will end on the last day of the month in which the limiting age is reached.

Enrolled unmarried children will be covered up to age 30 if they:

- Live within the state of Illinois; and

- Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
- Have received a release or discharge other than a dishonorable discharge.

Your enrolled Domestic Partner and their enrolled children who have not attained the limiting age stated above will be covered. Whenever the term "spouse" is used, we also mean Domestic Partner. All of the provisions of this benefit booklet that pertain to a spouse also apply to a Domestic Partner, unless specifically noted otherwise.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth so that your membership records can be adjusted.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a disabling condition occurring prior to reaching the limiting age will be covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption, or placement for adoption of a child.
- Obtaining legal guardianship of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
    a. The other coverage was in effect when you were first eligible to enroll for this coverage;
    b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
    c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

  This includes, but is not limited to, loss of coverage due to:
    a. Legal separation, divorce, dissolution from a Civil Union, cessation of dependent status, death of an employee, termination of employment, or reduction in the number of hours of employment;

b. In the case of HMO, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;

c. Reaching a lifetime limit on all benefits in another group health plan;

d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;

e. When Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or

f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

When Coverage Begins

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective no later than the first of the month after the special enrollment request is received.

Late Applicants

If you do not apply for Family Coverage or to add dependents within the required number of days of the event, you will have to wait until your Employer's annual open enrollment period to make those changes. Such changes will be effective on a date that has been mutually agreed to by your Employer and the Claim Administrator.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Employer terminates.

Further, termination of the agreement between the Claim Administrator and the Employer automatically terminates your coverage as described in this benefit booklet. It is the responsibility of the Employer to notify you in the event the agreement is terminated with the Claim Administrator. Regardless of whether such notice is provided, your coverage will terminate as of the effective date of termination of the Employer's agreement with the Claim Administrator.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Health Care Plan described in this benefit booklet except as otherwise specifically stated in the "Extension of Benefits in Case of Termination" provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Health Care Plan shall not affect any

Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, their coverage will end as of the date the event occurs which makes them ineligible.

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

UTILIZATION MANAGEMENT AND REVIEW

The Claim Administrator has established the Utilization Management and Review Program to assist you in determining the course of treatment that will maximize your benefits under this Health Care Plan. Utilization management may be referred to as Medical Necessity reviews, utilization review (UR) or medical management reviews. A Medical Necessity review for a procedure/service, Inpatient admission, and length of stay is based on the Claim Administrator's Medical Policy and, site or level of care review criteria. Medical Necessity reviews may occur prior to services rendered, during the course of care, or after care has been completed for a Post-Service Medical Necessity Review. Some services may require a Prior Authorization before the start of services, while other services will be subject to a Post-Service Medical Necessity review. If requested, services normally subject to a Post-Service Medical Necessity review may be reviewed for Medical Necessity prior to the service through a Recommended Clinical Review as defined below.

Please refer to the definition of Medically Necessary under the *Definitions* section of this booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

The Utilization Management and Review Program requires a review of the following Covered Services **before** maximum benefits for such services are available:

For additional information about Prior Authorization for services outside of the Claim Administrator's service area, see the section of this benefit booklet entitled "THE BLUECARD PROGRAM."

Failure to contact the Claim Administrator or to comply with the determinations of the Claim Administrator, as described in this section, may result in a reduction in benefits. These reductions in benefits are in addition to the applicable Copayments, Coinsurance, Deductibles, and out-of-pocket expense limit amounts. Providers may bill you for any reduction in payment, as described in this section, resulting from failure to contact the Claim Administrator or to comply with the determinations of the Claim Administrator. We encourage you to call ahead. The pre-notification toll-free telephone number is on your Identification Card.

Please read the provisions below very carefully. The provisions of this section do not apply to the treatment of Mental Illness and Substance Use Disorder Treatment. RECOMMENDED CLINICAL REVIEW

Some services that do not require Prior Authorization may be subject to review for evidence of medical necessity for coverage determinations that may occur prior to services rendered, during care, or after care has been completed for a Post-Service Medical Necessity Review.

A Recommended Clinical Review is a Medical Necessity review for a Covered Service that occurs before services are completed and helps limit the situations where you have to pay for a non-approved service. The Claim Administrator will review the request to determine if it meets approved Claim Administrator medical policy and, site, or level of care review criteria for medical and behavioral health services. Once a decision has been made on the services reviewed as part of the Recommended Clinical Review process, they will not be reviewed for Medical Necessity again on a retrospective basis. Submitted services (subject to Medical Necessity review) not included as part of Recommended Clinical Review may be reviewed retrospectively.

To determine if a Recommended Clinical Review is available for a specific service, visit our website at www.bcbsil.com/find-care/where-you-go-matters/utilization-management.com for the Required Prior Authorization and Recommended Clinical Review list, which is updated when new services are added or when services are removed. You can also call Customer Service at the toll-free telephone number on the back of your Identification Card. You or your Provider may request a Recommended Clinical Review.

Recommended Clinical Review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions under this Plan. Please coordinate with your Provider to submit a written request for a Recommended Clinical Review.

General Provisions Applicable to All Recommended Clinical Reviews

1. **No Guarantee of Payment**

   A Recommended Clinical Review is not a guarantee of benefits or payment of benefits by the plan. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Plan. Even if the service has been approved on Recommended Clinical Review, coverage or payment can be affected for a variety of reasons. For example, the member may have become ineligible as of the date of service or the member's benefits may have changed as of the date of service.

2. **Request for Additional Information**

   The Recommended Clinical Review process may require additional documentation from the member's health care Provider or pharmacist. In addition to the written request for Recommended Clinical Review, the health care Provider or pharmacist may be required to include pertinent documentation explaining the proposed services, the functional aspects of the treatment, the projected outcome, treatment plan and any other supporting documentation, study models, prescription, itemized repair and

replacement cost statements, photographs, x-rays, etc., as may be requested by the plan to make a determination of coverage pursuant to the terms and conditions of this Plan.

Post-Service Medical Necessity Review

A Post-Service Medical Necessity Review, sometimes referred to as a retrospective review or Post-Service Claims request, is the process of determining coverage after treatment has been provided and is based on Medical Necessity guidelines. A Post-Service Medical Necessity Review confirms member eligibility, availability of benefits at the time of service, and reviews necessary clinical documentation to ensure the service was Medically Necessary. Providers should submit appropriate documentation at the time of a Post-Service Medical Necessity Review request. A Post-Service Medical Necessity Review may be performed when a Prior Authorization or Recommended Clinical Review was not obtained prior to services being rendered.

General Provisions Applicable to All Post-Service Medical Necessity Reviews

1. **No Guarantee of Payment**

   A Post-Service Medical Necessity Review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate. Post-Service Medical Necessity Review does not guarantee payment of benefits by the plan, for instance a member may become ineligible as of the date of service or the member's benefits may have changed as of the date of service.

2. **Request for Additional Information**

   The Post-Service Medical Necessity Review process may require additional documentation from the member's health care Provider or pharmacist. In addition to the written request for Post-Service Medical Necessity Review, the health care Provider or pharmacist may be required to include pertinent documentation explaining the services rendered, the functional aspects of the treatment, the projected outcome, treatment plan and any other supporting documentation, study models, prescription, itemized repair and replacement cost statements, photographs, x-rays, etc., as may be requested by the plan to make a determination of coverage pursuant to the terms and conditions of this Plan.

CASE MANAGEMENT

Case management is a collaborative process that assists you with the coordination of complex care services. A Claim Administrator case manager is available to you as an advocate for cost-effective interventions.

Case managers are also available to you to provide assistance when you need alternative benefits. Alternative benefits will be provided only so long as the Claim Administrator determines that the alternative services are Medically

Necessary and cost-effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Health Care Plan.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations, and exclusions of the Health Care Plan.

LENGTH OF STAY/SERVICE REVIEW

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

Upon completion of the Inpatient or emergency admission review, the Claim Administrator will send a letter to you, your Physician, Provider of services, Behavioral Health Practitioner and/or the Hospital or facility with a determination on the approved length of stay.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary. In the event that the extension is determined not to be Medically Necessary, the authorization will not be extended. Additional notification will be provided to your Physician and/or the Hospital regarding the denial of payment for the extension.

A length of stay/service review, also known as a concurrent Medical Necessity review, is when you, your Provider, or other authorized representative may submit a request to the Plan for continued services. If you, your Provider, or authorized representative requests to extend care beyond the approved time limit and it is a request involving urgent care or an Ongoing Course of Treatment, the Plan will make a determination on the request/appeal as soon as possible but no later than 72 hours after it receives the initial request, or within 48 hours after it receives the missing information (if the initial request is incomplete).

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Claim Administrator. The Claim Administrator will provide notification of a decision to not authorize payment for Inpatient care or other health care services or supplies to you, your Physician, and/or the Hospital or other Provider. The notification will specify the dates, services and/or supplies that are not considered Covered Services. For further details regarding Medically Necessary care and other exclusions from coverage, see the EXCLUSIONS—WHAT IS NOT COVERED section in this benefit booklet.

The Claim Administrator does not determine your course of treatment or whether you receive particular health care services. Decisions regarding the course of treatment and receipt of particular health care services are a

matter entirely between you and your Physician. The Claim Administrator's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is a Covered Service under the Health Care Plan.

In the event that the Claim Administrator determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service charge incurred.

Remember that the Claim Administrator's Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not determined to be Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, the Claim Administrator will not pay for the hospitalization, services or supplies unless the Claim Administrator determines it to be Medically Necessary and a Covered Service under the Health Care Plan.

NOTE: Keep in mind that a Medically Necessary determination does not guarantee that benefits are available. For example, it might be determined that a service is Medically Necessary, however, the Health Care Plan may limit or exclude that service. In that case, the Medically Necessary determination does not override the benefit provision in the benefit booklet.

UTILIZATION REVIEW PROCEDURE

The following information is required when you contact the Claim Administrator:

1. The name of the attending and/or admitting Physician;
2. The name of the Hospital where the admission has been scheduled and/or the location where the service has been scheduled;
3. The scheduled admission and/or service date; and
4. A preliminary diagnosis or reason for the admission and/or service.

Upon receipt of the required information, the Claim Administrator:

1. will review the information provided and seek additional information, as necessary.
2. will issue a determination that the services are either Medically Necessary or are not Medically Necessary.
3. will provide notification of the determination.

APPEAL PROCEDURE

If you, your Physician, Provider of health services, or Behavioral Health Practitioner disagree with the determination of the Claim Administrator prior to or while receiving services, you may appeal that decision. You should call the Claim Administrator's customer service number on your Identification Card. Your Physician should use the contact information in the notification letter.

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter, you may appeal that decision by having your Physician, Provider of health services, or Behavioral Health Practitioner call the contact person indicated in the notification letter or by submitting a written request to:

Medical Director
Blue Cross and Blue Shield of Illinois
P. O. Box A3957
Chicago, Illinois 60601

Additional information about appeals procedures is set forth in the CLAIM FILING AND APPEALS PROCEDURES section of this benefit booklet.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Claim Administrator will not interfere with your relationship with any Provider. However, the Claim Administrator has established the Utilization Management and Review Program for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits provided under this benefit booklet.

MEDICARE ELIGIBLE MEMBERS

The preadmission review provisions of this Utilization Management and Review Program do not apply to you if you are Medicare eligible and have secondary coverage provided under the Health Care Plan.

CLAIM ADMINISTRATOR'S BEHAVIORAL HEALTH UNIT

The Claim Administrator's Behavioral Health Unit has been established to assist in the administration of Mental Illness and Substance Use Disorder Treatment benefits, including Prior Authorization review, Emergency Mental Illness or Substance Use Disorder Admission Review and length of stay/service review for your Inpatient Hospital admissions and/or Outpatient services for the treatment of Mental Illness and Substance Use Disorders.

Failure to contact the Behavioral Health Unit or to comply with the determinations of the Behavioral Health Unit, as described in this section, may result in a reduction of benefits. The Behavioral Health Unit may be reached twenty-four (24) hours a day, 7 days a week at the toll-free telephone number 1-800-851-7498. Please read the provisions below very carefully.

Prior Authorization is a requirement that you must obtain authorization from the Claim Administrator before you receive a certain type of Covered Services designated by the Claim Administrator in order to be eligible for maximum benefits.

For Inpatient Hospital facility services, your Participating Provider is required to obtain Prior Authorization. If Prior Authorization is not obtained, the Participating Provider will be sanctioned based on the Claim Administrator's contractual agreement with the Provider, and the member will be held harmless for the Provider sanction. For additional information about Prior Authorization for services outside of the Claim Administrator's service area, see the section of this benefit booklet entitled "THE BLUECARD PROGRAM."

Failure to contact the Claim Administrator or to comply with the determinations of the Claim Administrator, as described in this section, may result in a reduction in benefits. These reductions in benefits are in addition to the applicable Copayments, Coinsurance, Deductibles, and out-of-pocket expense limit amounts. Providers may bill you for any reduction in payment, as described in this section, resulting from failure to contact the Claim Administrator or to comply with the determinations of the Claim Administrator. We encourage you to call ahead. The pre-notification toll-free telephone number is on your Identification Card.

CONTACTING BEHAVIORAL HEALTH

You, your Physician, Provider of services, or your authorized representative may contact the Claim Administrator for a Prior Authorization or Recommended Clinical Review by calling the toll-free number shown on the back of your Identification Card and follow the prompts to the Behavioral Health Unit. During regular business hours (8:00 a.m. and 6:00 p.m., Central Time, on business days), the caller will be routed to the appropriate behavioral health clinical team for review. Outpatient requests should be requested during regular business hours. After 6:00 PM, on weekends, and on holidays, the same behavioral health line is answered by clinicians available for Inpatient

acute reviews only. Requests for residential or Partial Hospitalization are reviewed only during regular business hours.

PRIOR AUTHORIZATION REVIEW

Inpatient Hospital Prior Authorization Review

Prior Authorization review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan. The Claim Administrator recommends you confirm with your Provider if Prior Authorization has been obtained.

To receive maximum benefits under this Health Care Plan, you must obtain Prior Authorization for your nonemergency Inpatient Hospital admission for the treatment of Mental Illness (other than Substance Use Disorder Treatments described below) by calling the Behavioral Health Unit. Providers may obtain Prior Authorization for you, when required, but it is your responsibility to ensure Prior Authorization requirements are satisfied, as described in this section. To determine if the Provider has completed the Prior Authorization requirements, you or someone on your behalf may call customer service at the toll free number on your Identification Card. This call must be made at least one day prior to the Inpatient Hospital admission.

Your Participating Provider, and not you, is required to obtain Prior Authorization for Inpatient Hospital admissions for Substance Use Disorder Treatment.

For all other Non Participating Providers, the Provider must notify the Claim Administrator within two business days after the initiation of Inpatient Hospital admissions for Substance Use Disorder Treatment, to the extent required by law. If your Provider does not notify the Claim Administrator, then you or someone on your behalf must notify the Claim Administrator within three business days of the initiation of Substance Use Disorder Treatment.

Residential Treatment Center Prior Authorization Review

Prior Authorization review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms,

When you receive care outside of the Claim Administrator's service area, you will receive it from one of two kinds of Providers. Most Providers ("participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("non-participating Providers") do not contract with the Host Blue. The Claim Administrator explains below how the Claim Administrator pays both kinds of Providers.

Inter-Plan Arrangements Eligibility - Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by the Claim Administrator to provide the specific service or services.

A. BlueCard® Program

Under the BlueCard® Program, when you receive Covered Services within the geographic area served by a Host Blue, the Claim Administrator will remain responsible for doing what we agreed in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

For Inpatient facility services received in a Hospital, the Host Blue's participating Provider is required to obtain Prior Authorization. If Prior Authorization is not obtained, the participating Provider will be sanctioned based on the Host Blue's contractual agreement with the Provider, and the member will be held harmless for the Provider sanction.

When you receive Covered Services outside the Claim Administrator's service area and the Claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services, or
- The negotiated price that the Host Blue makes available to the Claim Administrator.

To help you understand how this calculation would work, please consider the following example:

a. Suppose you receive Covered Services for an illness while you are on vacation outside of Illinois. You show your Identification Card to the provider to let them know that you are covered by the Claim Administrator.

b. The provider has negotiated with the Host Blue a price of $80, even though the provider's standard charge for this service is $100. In this example, the provider bills the Host Blue $100.

c. The Host Blue, in turn, forwards the claim to the Claim Administrator and indicates that the negotiated price for the covered service is $80. The Claim Administrator would then base the amount you must pay for the service - the amount applied to your deductible, if any, and your coinsurance percentage - on the $80 negotiated price, not the $100 billed charge.

d. So, for example, if your coinsurance is 20%, you would pay $16 (20% of $80), not $20 (20% of $100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The Coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your deductible and that there are no copayments associated with the service rendered. Your deductible(s), Coinsurance and Copayment(s) are specified in this benefit booklet.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, also take into account adjustments to correct for over or underestimation of modifications of past pricing of Claims, as noted above. However, such adjustments will not affect the price the Claim Administrator has used for your claim because they will not be applied after a Claim has already been paid.

B. Negotiated (non-BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, the Claim Administrator may process your claims for Covered Services through Negotiated Arrangements for National Accounts.

The amount you pay for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or negotiated price (refer to the description of negotiated price under Section A, BlueCard Program) made available to the Claim Administrator by the Host Blue.

If reference-based benefits, which are service-specific benefit dollar limits for specific procedures, based on a Host Blue's local market rates, are made available to you, you will be responsible for the amount that the healthcare provider bills above the specific reference benefit limit for the given procedure. For a participating Provider, that amount will be the difference between the negotiated price and the reference benefit limit. For a non-participating Provider, that amount will be the difference between the Provider's billed charge and the reference benefit limit.

Where a reference benefit limit is greater than either a negotiated price or a Provider's billed charge, you will incur no liability, other than any related patient cost sharing under this agreement.

C. Special Cases: Value Based Programs

BlueCard® Program

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Claim Administrator through average pricing or fee schedule adjustments.

Value-Based Programs: Negotiated (non–BlueCard Program) Arrangements

If the Claim Administrator has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to your Employer on your behalf, the Claim Administrator will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, the Claim Administrator will include any such surcharge, tax, or other fee as part of the Claim Charge passed on to you.

E. Non-Participating Healthcare Providers Outside The Claim Administrator's Service Area

a. Member Liability Calculation

(1) In General

When Covered Services are provided outside of the Claim Administrator's service area by non-participating Providers, the amount(s) you pay for such services will be calculated using the methodology described in the benefit booklet for non-participating Providers located inside our service area. You may be responsible for the difference between the amount that the non-participating Provider bills and the payment the Claim Administrator will make for the Covered Services as set forth in this paragraph.

(2) Exceptions

In some exception cases, the Claim Administrator may, but is not required to, negotiate a payment with such non-participating Provider on an exception basis. If a negotiated payment is not

available, then the Claim Administrator may make a payment based on the lesser of:

1. The amount calculated using the methodology described in the benefit booklet for non-participating Providers located inside our service area (and described in Section (a)(1) above); or
2. The following:
   a. For professional Providers, make a payment based on publicly available Provider reimbursement data for the same or similar services, adjusted for geographical differences where applicable, or
   b. For Hospital or facility Providers, make a payment based on publicly available data reflecting the approximate costs that Hospitals or facilities have reportedly incurred historically to provide the same or similar service, adjusted for geographical differences where applicable, plus a margin factor for the Hospital or facility.

In these situations, you may be liable for the difference between the amount that the non-participating Provider bills and the payment the Claim Administrator will make for the Covered Services as set forth in this paragraph.

F. Blue Cross Blue Shield Global® Core

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing Covered Services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although Blue Cross Blue Shield Global Core assists you with accessing a network of Inpatient, Outpatient and Professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard service area, you will typically have to pay the Providers and submit the Claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or Hospital) outside the BlueCard service area, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a Physician appointment or hospitalization, if necessary.

- **Inpatient Services**

  In most cases, if you contact the service center for assistance, Hospitals will not require you to pay for covered Inpatient services, except for your cost-share amounts/Deductibles, Coinsurance, etc. In such cases, the Hospital will submit your Claims to the service center to begin claims processing. However, if you paid in full at the time of

service, you must submit a Claim to receive reimbursement for Covered Services. **You must contact the Claim Administrator to obtain Prior Authorization for non-emergency Inpatient services.**

- **Outpatient Services**

  Outpatient Services are available for Emergency Care, Physicians, urgent care centers and other Outpatient Providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a Claim to obtain reimbursement for Covered Services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

  When you pay for Covered Services outside the BlueCard service area, you must submit a Claim to obtain reimbursement. For institutional and professional Claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the Claim form with the Provider's itemized bill(s) to the service center (the address is on the form) to initiate Claims processing. Following the instructions on the Claim form will help ensure timely processing of your Claim. The Claim form is available from the Claim Administrator, the service center or online at www.bcbsglobalcore.com. If you need assistance with your Claim submission, you should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

3. THE CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS REGARDING PRESCRIPTION DRUGS

Claim Administrator's Separate Financial Arrangements with Prescription Drug Providers

The Claim Administrator hereby informs you that it has contracts, either directly or indirectly, with Prescription Drug Providers ("Participating Prescription Drug Providers") to provide prescription drug services to all persons entitled to prescription drug benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under this Health Care Plan. Under its contracts with Participating Prescription Drug Providers, the Claim Administrator may receive from these Providers discounts for prescription drugs dispensed to you. Actual discounts used to calculate your share of the cost of prescription drugs will vary. Some discounts are currently based on Average Wholesale Price ("AWP") which is determined by a third party and is subject to change. You understand that the Claim Administrator may receive such discounts. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

Coinsurance amounts payable by you under this Health Care Plan will be calculated on the basis of the Provider's Eligible Charge or the agreed upon cost between the Participating Prescription Drug Provider and the Claim Administrator for a prescription drug, whichever is lower.

To help you understand how the Claim Administrator's separate financial arrangements with Prescription Drug Providers work, please consider the following example:

a. Assume you have a prescription dispensed and the normal, full amount of the prescription drug is $100. How is the $100 bill paid?

b. You personally will have to pay the Coinsurance amount set out in this benefit booklet.

c. However, for purposes of calculating your Coinsurance amount, the full amount of the prescription drug would be reduced by the discount. In our example, if the applicable discount were 20%, the $100 prescription drug bill would be reduced by 20% to $80 for purposes of calculating your Coinsurance amount.

d. In our example, if your Coinsurance obligation is 25%, you personally will have to pay 25% of $80, or $20. You should note that your 25% Coinsurance is based upon the discounted amount of the prescription and not the full $100 bill.

For the home delivery pharmacy and specialty pharmacy program partially owned by Prime, Prime retains the difference between its acquisition cost and the negotiated prices as its fee for the various administrative services provided as part of the home delivery pharmacy and/or specialty pharmacy program. The Claim Administrator pays a fee to Prime for pharmacy benefit services. A portion of Prime's PBM fees are tied to certain performance standards, including, but not limited to, Claims processing, customer service response, and home delivery processing.

"Weighted Paid Claim" refers to the methodology of counting Claims for purposes of determining the Claim Administrator's fee payment to Prime. Each retail (including Claims dispensed through PBM's Specialty Pharmacy program) paid Claim will be weighted according to the days' supply dispensed. A paid Claim is weighted in 34-day supply increments, so a 1-34 days' supply is considered 1 weighted Claim, a 35-68 days' supply is considered 2 weighted Claims, and the pattern continues up to 6 weighted Claims for 171 or more days' supply. The Claim Administrator pays Prime a Program Management Fee ("PMF") on a per weighted Claim basis.

The amounts received by Prime from the Claim Administrator, Pharmacies, manufacturers or other third parties may be revised from time to time. Some of the amounts received by Prime may be charged each time a Claim is processed (or, in some instances, requested to be processed) through Prime and/or each time a prescription is filled, and include, but are not limited to, administrative fees charged by Prime to

the Claim Administrator (as described above), administrative fees charge by Prime to Pharmacies and administrative fees charged by prime to pharmaceutical manufacturers. Currently, none of these fees will be passed on to you as expenses, or accrue to the benefit of you, unless otherwise specifically set forth in this benefit booklet. Additional information about these types of fees or the amount of these fees is available upon request. As of the effective date, the maximum that a PBM has disclosed to the Claim Administrator that the PBM will receive from any pharmaceutical manufacturer for manufacturer administrative fees is five and a half percent (5.5%) of the Wholesale Acquisition Cost ("WAC") for all products of such manufacturer dispensed during any given calendar year to members of the Claim Administrator and to members of the other Blue Cross and/or Blue Shield operating divisions of Health Care Service Corporation or for which Claims are submitted to the PBM at the Claim Administrator's request; provided, however, that the Claim Administrator will advise the Employer if such maximum has changed.

Claim Administrator's Separate Financial Arrangements with Pharmacy Benefit Managers

The Claim Administrator owns a significant portion of the equity of Prime Therapeutics LLC and informs you that the Claim Administrator has entered into one or more agreements with Prime Therapeutics LLC or other entities (collectively referred to as "Pharmacy Benefit Managers") to provide, on the Claim Administrator's behalf, Claim Payments and certain administrative services for your prescription drug benefits. Pharmacy Benefit Managers have agreements with pharmaceutical manufacturers to receive rebates for using their products. The Pharmacy Benefit Manager may share a portion of those rebates with the Claim Administrator. In addition, the mail-order pharmacy and specialty pharmacy operate through an affiliate partially owned by Prime Therapeutics, LLC. Neither the Employer nor you are entitled to receive any portion of such rebates.

Prime negotiates rebate contracts with pharmaceutical manufacturers on behalf of the Claim Administrator but does not retain any rebates (although Prime may retain any interest or late fees earned on rebates received from manufactures to cover the administrative costs of processing late payments). The Claim Administrator may also negotiate rebate contracts with pharmaceutical manufacturers. The Claim Administrator may receive such rebates from Prime or pharmaceutical manufacturers. You are not entitled to receive any portion of any such rebates.

4. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

a. Under this Health Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. The Claim Administrator is specifically

authorized by you to determine to whom any benefit payment should be made.

b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.

c. A covered person's claim for benefits under this Health Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at any time before or after Covered Services are rendered to a covered person. Coverage under this Health Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

5. YOUR PROVIDER RELATIONSHIPS

a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.

b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.

c. The use of an adjective such as Participating, Administrator, Preferred or approved in modifying a Provider shall in no way be construed as a recommendation, referral, or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, Preferred approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.

d. Each Provider provides Covered Services only to you and does not interact with or provide any services to your Employer (other than as an individual covered person) or your Employer's ERISA Health Benefit Program.

6. NOTICES

Any information or notice which you furnish to the Claim Administrator under the Health Care Plan as described in this benefit booklet must be in writing and sent to the Claim Administrator at its offices at 300 East Randolph, Chicago, Illinois 60601 (unless another address has been stated in this benefit booklet for a specific situation). Any information or notice which the Claim Administrator furnishes to you must be in writing and sent to you at your address as it appears on the Claim Administrator's records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records. The Claim Administrator may also provide such notices electronically to the extent permitted by applicable law.

7. LIMITATIONS OF ACTIONS

No legal action may be brought to recover under the Health Care Plan as described in this benefit booklet, prior to the expiration of sixty (60) days after a Claim has been furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet.

8. INFORMATION AND RECORDS

You agree that it is your responsibility to insure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Health Care Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to the Claim Administrator or its agent, and agree that any such Provider, person or other entity may furnish to the Claim Administrator or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such illness, injury, Claim or Claims. In addition, the Claim Administrator may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same. It is also your responsibility to furnish the Claim Administrator and/or your Employer or group administrator information regarding your or your dependents becoming eligible for Medicare, termination of Medicare eligibility or any changes in Medicare eligibility status in order that the Claim Administrator be able to make Claim Payments in accordance with MSP laws.

9. OVERPAYMENT

If your group's benefit plan or the Claim Administrator pays benefits for eligible expenses incurred by you or your dependents and it is found that the payment was more than it should have been, or it was made in error ("Overpayment"), your group's benefit plan or the Claim Administrator has the right to obtain a refund of the Overpayment amount from: (i) the person to, or for whom, such benefits were paid, or (ii) any insurance company or plan, or (iii) any other persons, entities, or organizations, including, but not limited to Participating Providers or Non-Participating Providers.

If no refund is received, your group's benefit plan and/or Blue Cross and Blue Shield (in its capacity as insurer or administrator) has the right to deduct any refund for any Overpayment due up to an amount equal to the Overpayment, from:

a. Any future benefit payment made to any person or entity under this benefit booklet, whether for the same or a different member; or

b. Any future benefit payment made to any person or entity under another Blue Cross and Blue Shield administered ASO benefit program and/or Blue Cross and Blue Shield administered insured benefit program or policy, if the future benefit payment owed is to a Contracted Provider; or

c. Any future benefit payment made to any person or entity under another Blue Cross and Blue Shield insured group benefit plan or individual policy, if the future benefit payment owed is to a Contracted Provider; or

d. Any future benefit payment, or other payment, made to any person or entity; or

e. Any future payment owed to one or more Contracted Providers.

Further, the Claim Administrator has the right to reduce your benefit plan's payment to a Contracted Provider by the amount necessary to recover another Blue Cross and Blue Shield's plan or policy Overpayment to the same Contracted Provider and to remit the recovered amount to the other Blue Cross and Blue Shield plan or policy.

10. VALUE BASED DESIGN PROGRAMS

The Claim Administrator and your Employer has the right to offer medical management programs, quality improvement programs and health behavior wellness, incentive, maintenance, or improvement programs that allow for a reward, a contribution, a penalty, a differential in premiums or a differential in medical, prescription drug or equipment Copayments, Coinsurance or deductibles, or costs, or a combination of these incentives or disincentives for participation in any such program offered or administered by the Claim Administrator or an entity chosen by the Claim Administrator to administer such programs. In addition, discount, or incentive programs for various health and wellness-related,

insurance-related, or other items and services may be available from time-to-time. Such programs may be discontinued with or without notice.

Contact your Employer for additional information regarding any value-based programs offered by your Employer.

11. IDENTITY THEFT PROTECTION SERVICES

The Claim Administrator makes available at no additional cost to you identity theft protection services, including credit monitoring, fraud detection, credit/identity repair and insurance to help protect your information. These identity theft protection services are currently provided by the Claim Administrator's designated outside vendor and acceptance or declination of these services is optional to you. If you wish to accept such identity theft protection services you will need to individually enroll in the program online at *www.bcbsil.com* or telephonically by calling the toll-free telephone number on your Identification Card. Services may automatically end if you no longer meet the definition of an Eligible Person. Services may change or be discontinued at any time with or without notice and the Claim Administrator does not guarantee that a particular vendor or service will be available at any given time. The services are provided as a convenience and are not considered covered benefits under this benefit booklet.

REIMBURSEMENT PROVISION

If you or one of your covered dependents incur expenses for sickness or injury that occurred due to negligence of a third party and benefits are provided for Covered Services described in this benefit booklet, you agree:

a. the Claim Administrator has the rights to reimbursement for all benefits the Claim Administrator provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of sickness or injury, in the amount of the total Eligible Charge or Provider's Claim Charge for Covered Services for which the Claim Administrator has provided benefits to you, reduced by any Average Discount Percentage ("ADP") applicable to your Claim or Claims.

b. the Claim Administrator is assigned the right to recover from the third party, or their insurer, to the extent of the benefits the Claim Administrator provided for that sickness or injury.

The Claim Administrator shall have the right to first reimbursement out of all funds you, your covered dependents, or your legal representative, are or were able to obtain for the same expenses for which the Claim Administrator has provided benefits as a result of that sickness or injury.

You are required to furnish any information or assistance or provide any documents that the Claim Administrator may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability. (See provisions of this benefit booklet regarding "Claim Administrator's Separate Financial Arrangements with Providers.")

I. Continuity of Care

If You are under the care of a Participating Provider as defined in the benefit booklet who stops participating in the Plan's network (for reasons other than failure to meet applicable quality standards, including medical incompetence or professional behavior, or fraud), You may be able to continue coverage for that Provider's Covered Services at the Participating Provider Benefit level if one of the following conditions is met:

1. You are undergoing a course of treatment for a serious and complex condition,
2. You are undergoing institutional or inpatient care,
3. You are scheduled to undergo nonelective surgery from the Provider (including receipt of postoperative care from such Provider with respect to such surgery),
4. You are pregnant or undergoing a course of treatment for Your pregnancy, or
5. You are determined to be terminally ill.

2. Federal No Surprises Act Surprise Billing Protections

a. The federal No Surprises Act contains various protections relating to surprise medical bills on services performed by Non-Participating Providers and Non-Participating Emergency Facilities. The items and services included in these protections ("Included Services") are listed below.

- Emergency Services obtained from a Non-Participating Provider or Non-Participating Emergency Facility.
- Covered non-Emergency Services performed by a Non-Participating Provider at a Participating Facility (unless You give written consent and give up balance billing protections).
- Air Ambulance Services received from a Non-Participating Provider if the services would be covered if received from a Participating Provider.

b. Claim Payments

For Included Services, the Plan will send an initial payment or notice of denial of payment directly to the Provider.

c. Cost-Sharing

For non-Emergency Services performed by Non-Participating Providers at a Participating Facility, and for Emergency Services provided by a Non-Participating Provider or Non-Participating Emergency Facility, the Recognized Amount is used to calculate Your cost-share requirements, including Deductibles, Copayments, and Coinsurance.

For Air Ambulance Services received from a Non-Participating Provider, if the services would be covered if received from a Participating Provider, the amount used to calculate Your cost-share requirements, including Deductibles, Copayments, and Coinsurance, will be the lesser of the Qualifying Payment Amount or billed charges.

For Included Services, these cost-share requirements will be counted toward Your Participating Provider deductible and/or out-of-pocket expense limit, if any.

3. Prohibition of Balance Billing

You are protected from balance billing on Included Services as set forth below.

If You receive Emergency Services from a Non-Participating Provider or non-Participating Emergency Facility, the most the Non-Participating Provider or non-Participating Emergency Facility may bill You is Your in-network cost-share. You cannot be balance billed for these Emergency Services unless You give written consent and give up Your protections not to be balanced billed for services You receive after You are in a stable condition.

When You receive Covered Non-Emergency Services from a Non-Participating Provider at a Participating Facility, the most those Non-Participating Providers may bill You is Your Plan's in-network cost-share requirements. When You receive emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services at a Participating Facility, Non-Participating Providers can't balance bill You and may not ask You to give up Your protections not to be balance billed. If You get other services at Participating Facilities, Non-Participating Providers can't balance bill You unless You give written consent and give up Your protections.

If Your Plan includes Air Ambulance Services as a Covered Service, and such services are provided by a Non-Participating Provider, the most the Non-Participating Provider may bill You is Your in-network cost-share. You cannot be balance billed for these Air Ambulance Services.

NOTE: The revisions to Your Plan made by this Amendment are based upon the No Surprises Act, a federal law enacted in 2020 and effective for plan years beginning on or after January 1, 2022. To the extent federal regulations are adopted or additional guidance is issued by federal regulatory agencies that alter the terms of this Amendment, the regulations and any additional guidance will control over conflicting language in this Amendment.
