LOCATION **OFFICE** **DOCTOR** 1 ADVANCED SEARCH +

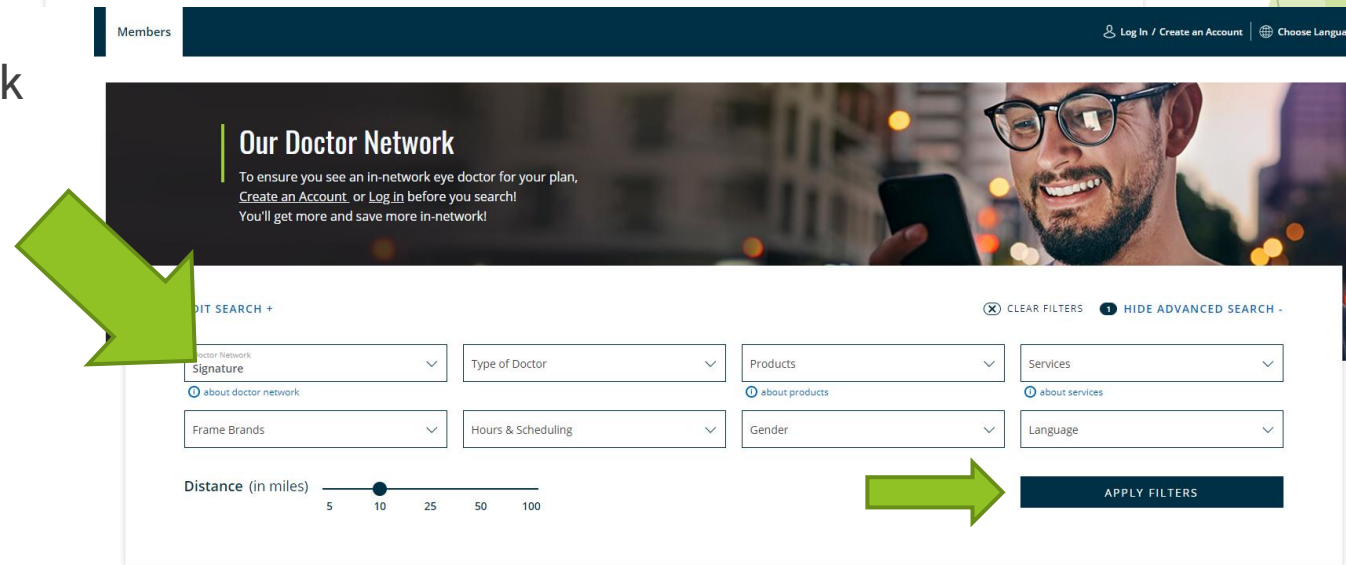

Zip OR Street Address (optional) City State

How to Find a VSP Provider

▶ Click Advanced Search

▶ Select the Signature Network and then click Apply Filters

How to Find a VSP Provider

- ▶ Search by Location, Office or Doctor
- ▶ Enter applicable information and click search

The screenshot shows the top navigation bar with 'Members' on the left and 'Log In / Create an Account' and 'Choose Language' on the right. Below this is a hero section with a background image of a smiling man with glasses looking at his phone. The text reads: 'Our Doctor Network. To ensure you see an in-network eye doctor for your plan, Create an Account, or Log In before you search! You'll get more and save more in-network!'

The search interface includes three tabs: 'LOCATION', 'OFFICE', and 'DOCTOR'. To the right is an 'ADVANCED SEARCH +' link. Below the tabs are four input fields: 'Zip', 'Street Address (optional)', 'City', and 'State'. A red error message below the fields says 'Please enter Zip code or City and State.' Below the search fields is the 'VSP PREMIER PROGRAM' logo and the heading 'Find your VSP Network Doctor'. The text explains that the Premier Program is part of a network of highly knowledgeable doctors and provides personalized attention and bonus offers. It asks if the user is ready to schedule an appointment and suggests looking for an orange banner for the most convenient location. It also notes that all members have access to Premier Program locations and provides a link to log in or create an account. At the bottom, there are two checkboxes: 'All Premier Program Locations' (checked) and 'Select Location Type (check all that apply): Premier Private Practice Premier Retail Chain Location'. A large green arrow points to a dark blue 'SEARCH' button.
